of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

Conscious of the need to facilitate the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,

Noting that the large majority of the remaining Non-Self-Governing Territories are small island Territories,

Welcoming the assistance extended to Non-Self-Governing Territories by certain specialized agencies and other organizations of the United Nations system, in particular the United Nations Development Programme,

Stressing that, because the development options of small island Non-Self-Governing Territories are limited, there are special challenges to planning for and implementing sustainable development and that those Territories will be constrained in meeting the challenges without the continued cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Stressing also the importance of securing the necessary resources for funding expanded assistance programmes for the peoples concerned and the need to enlist the support of all major funding institutions within the United Nations system in that regard,

Reaffirming the mandates of the specialized agencies and other organizations of the United Nations system to take all the appropriate measures, within their respective spheres of competence, to ensure the full implementation of General Assembly resolution 1514 (XV) and other relevant resolutions,

Expressing its appreciation to the Organization of African Unity, the South Pacific Forum, the Caribbean Community and other regional organizations for the continued cooperation and assistance they have extended to the specialized agencies and other organizations of the United Nations system in this regard,

Expressing its conviction that closer contacts and consultations between and among the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of assistance programmes to the peoples concerned,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various United Nations decisions relating to decolonization,

Bearing in mind the extremely fragile economies of the Non-Self-Governing small island Territories and their vulnerability to natural disasters, such as hurricanes, cyclones and sea-level rise, and recalling the relevant resolutions of the General Assembly,

Recalling General Assembly resolution 51/141 of 13 December 1996 on the implementation of the Declaration by the specialized agencies and the international institutions associated with the United Nations,

1. Takes note of the report of its Chairman on his consultations with the President of the Economic and Social Council,[2] and endorses the observations and suggestions arising therefrom;[3]

2. Also takes note of the report of the Secretary-General;

3. Recommends that all States intensify their efforts in the specialized agencies and other organizations of the United Nations system to ensure the full and effective implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV), and other relevant resolutions of the United Nations;

4. Reaffirms that the specialized agencies and other organizations and institutions of the United Nations system should continue to be guided by the relevant resolutions of the United Nations in their efforts to contribute to the implementation of the Declaration and all other relevant General Assembly resolutions;

5. Reaffirms also that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the aspirations of the peoples of Non-Self-Governing Territories to exercise their right to self-determination entails, as a corollary, the extension of all appropriate assistance to those peoples;

6. Expresses its appreciation to those specialized agencies and other organizations of the United Nations system that have continued to cooperate with the United Nations and the regional and subregional organizations in the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations, and requests all the specialized agencies and other organizations of the United Nations system to implement the relevant provisions of those resolutions;

7. Requests the specialized agencies and other organizations of the United Nations system and international and regional organizations to examine and review conditions in each Territory so as to take appropriate measures to accelerate progress in the economic and social sectors of the Territories;

8. Requests the specialized agencies and other organizations and institutions of the United Nations system and regional organizations to strengthen existing measures of support and formulate appropriate programmes of assistance to the remaining Non-Self-Governing Territories, within the framework of their respective mandates, in order to accelerate progress in the economic and social sectors of those Territories;

---

[3] See E/1997/81.

9. Recommends that the executive heads of the specialized agencies and other organizations of the United Nations system formulate, with the active cooperation of the regional organizations concerned, concrete proposals for the full implementation of the relevant resolutions of the United Nations and submit the proposals to their governing and legislative organs;

10. Also recommends that the specialized agencies and other organizations of the United Nations system continue to review at the regular meetings of their governing bodies the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations;

11. Welcomes the continued initiative exercised by the United Nations Development Programme in maintaining close liaison among the specialized agencies and other organizations of the United Nations system and in providing assistance to the peoples of Non-Self-Governing Territories;

12. Encourages Non-Self-Governing Territories to take steps to establish and/or strengthen disaster preparedness and management institutions and policies;

13. Requests the administering Powers concerned to facilitate the participation of appointed and elected representatives of Non-Self-Governing Territories in the relevant meetings and conferences of the specialized agencies and other organizations of the United Nations system so that the Territories may benefit from the related activities of those agencies and organizations;

14. Recommends that all Governments intensify their efforts in the specialized agencies and other organizations of the United Nations system of which they are members to accord priority to the question of providing assistance to the peoples of the Non-Self-Governing Territories;

15. Requests the Secretary-General to continue to assist the specialized agencies and other organizations of the United Nations system in working out appropriate measures for implementing the relevant resolutions of the United Nations and to prepare for submission to the relevant bodies, with the assistance of those agencies and organizations, a report on the action taken in implementation of the relevant resolutions, including the present resolution, since the circulation of his previous report;

16. Commends the Economic and Social Council for its debate and resolution on this issue and requests it to continue to consider, in consultation with the Special Committee, appropriate measures for coordination of the policies and activities of the specialized agencies and other organizations of the United Nations system in implementing the relevant resolutions of the General Assembly;

17. Requests the specialized agencies to report periodically to the Secretary-General on the implementation of the present resolution;

18. Requests the Secretary-General to transmit the present resolution to the governing bodies of the appropriate specialized agencies and international institutions associated with the United Nations so that those bodies may take the necessary measures to implement the resolution, and also requests the

Secretary-General to report to the General Assembly at its fifty-third session on the implementation of the present resolution;

19. Decides, subject to any directives the General Assembly might wish to give at its fifty-second session, to continue to examine the question and to report thereon to the Assembly at its fifty-third session.
